

Class of 2016,

The basis for the Academy's various **academic prizes** is quite simply to reward excellence. This is done at three levels so as to give every student an equal opportunity to be rewarded. We trust that you are motivated for excellence already and that you will put in the effort to get the benefit.

- **Academy Top Student Prize**

This award goes to the top student in a specific cohort for a specific academic year who has achieved, as minimum requirement, an overall distinction for the HCFM in all subjects (75%) as a final mark. The award consists of a cash prize of R2000 as well as a bursary to the value of R4000 for any future study at the Academy.

- **Academy Excellence Prize**

This award goes to any student (except the top student). The Academy gives the Excellence award to any student who has achieved an overall distinction for the HCFM (75%) as a final mark. The award consists of a cash prize of R1200 and a bursary valued at R3000 for any future study at the Academy.

- **Academy Merit Prize**

Academy also awards a merit bursary to any student who has achieved a distinction in any subject as a final mark in any semester. This prize amounts to R250 per subject. Those who qualify for the ATSP and the AEP are necessarily not eligible for the Merit Prize.

All prizes are to be presented during the commencement ceremony
