Dear Taxpayer,

PROVISIONAL TAX – 31 AUGUST 2017

Provisional tax is payable on 31 August 2017 for an amount of R 21,987.10

It is imperative that if you have earned a Capital Gain that you advise us so that we can include this in your provisional tax.

Due to a SARS change in policy we are no longer able to make a direct payment on your behalf to SARS.

However we can do a payment instruction (credit push) which you need to authorise through your internet banking. Please advise us by 25 AUGUST 2017 on which date we must do the payment instruction.

OR

Please pay the above amount by internet EFT directly to SARS and let us have the proof of payment for our records.

This can be done with any of the following banks: ABSA, FNB, NEDBANK, STANDARD BANK or INVESTEC and the account number is SARS-PROV

The payment reference is as follows: 0610007643P00012018.

Failure to pay above amount by 31 August 2017 will result in a penalty of 10% being applied and interest at the standard interest rate per annum being levied on the outstanding amount.

Yours faithfully,

IMBRITIME CC
